MissionFiT's Support Partnership Program

Ministry Overview:

MissionFiT is a corporate wellness ministry that exists to get followers of Christ Faithful in Training so they can be FiT for the mission to which the Lord has called them. Our definition of "training" goes far beyond the obvious physical training, to include: wellness, nutrition, spiritual fitness, and mental and emotional fitness. We have special initiatives to care for Church Leadership as well as community building programs for small groups and outreach opportunities. The health of many Christians today is crippling their ability to fulfill and thrive in their calling. We aspire to be most effective in training God's followers to be good and faithful stewards of their temple.

The level of care these leaders need is monumental and much goes in to serving this population. In order to conquer the mission, we exhaust all that we can to assure our costs are minimal. However, there's still a price tag that can be a barrier for many in ministry. That's why we need community partners, like you, to help make this opportunity a reality. Play a part in helping them take back their health. When leaders know they are supported and can to start their wellness journey, the joy they feel is indescribable. Just knowing that someone cares and sees value in them means more than you can imagine. Supporting those in need will profoundly change the future for them, their families, their ministry, the community, our city, and God's Kingdom. It will change your own life as well. **100% of your support goes to supporting these Pastor athletes.**

MissionFiT's Support Partnership Program is designed to build strong, meaningful relationships - true partnerships - that result in working together to achieve the common goal of elevating the efficacy and quality of wellness care for Churches. We invite you to be on this journey with us in strengthening God's Kingdom.

As an IRS approved non-profit 501c3 organization, your donation is tax deductible.

Support Opportunities:

1 Time Donation

Our 1 time donations are used for the most current need within the ministry.

Scholarship Fund

Leaders must pay at least a portion of their registration fee. However, some leaders struggle to make the payment in full. These leaders may apply for a scholarship to complete their payment.

Monthly Recurring Partner

Our monthly recurring partners choose where they'd prefer their donation be used, whether that is to assist a pastor with their registration, supporting a coach, or supporting the back end of the ministry.

The ReStart Your Heart Experience for January 2019 Launch

(expecting 100 new leader athletes)

"ReStart Your Heart" is the entry level program for all levels at MissionFiT. As a result, a significant resources (time, personal attention and money) go into helping them take back their health. Multiple areas of needed support are listed and every dollar donated can help reduce the burden for incoming leaders in the "Restart Your Heart" and "LeaderFiT" programs.:

Support a MissionFiT Coach (Renovator)

We refer to our coaches as “Renovators”, as they’re more than coaches. Their mission is to renovate temples for the Lord. Our Renovators are paid per class. There are 18 classes plus 3 special events they lead, ReStart Your Heart Program and The LeaderFiT Challenge.

$\$30 \text{ per class} \times 21 = \630

**If you are interested in covering a “coaching cost”, we can let you know which classes are currently available.*

Printing Partner

We have printing projects throughout our courses that are clearly extra costs. Partnering with companies that have access to large printers and are willing to let us print there is a huge help in keeping our costs minimal for our Pastor athletes.

Become a Prayer Warrior for our team and mission

Ministry is tough and we know the enemy does not like what we are up to. We are always in need of more followers of Christ to partner with us in prayer! Let us know if you’d like to be added to our prayer emails.
